About Hong Kong Wine Judges Association

The Hong Kong Wine Judges Association, a non-profit making organization, intends to uplift the wine appreciation standards by conducting wine competitions with constructive review & comment by experts and critics.

We have allied a team of respected wine specialists from different segments of the industry to collect comments from diverse judging perspectives, namely sommeliers, winemakers, columnists, educators, chefs and merchants.

Our goal is to maintain close contacts with other wine judges from around the world to explore possible collaboration in advancing wine judging standards. The Association will also pay close attention to related developments in Greater China and APEC region and seek out opportunities for collaboration.

We believe a new range of services must be delivered in form of advice, guidance and training that can be developed in line with international wine judging practices, to help members progress and grow professionally and eventually become part of the wine judging community.

Our Vision

To be the leading professional wine judging panel for Hong Kong SAR & Greater China

Our Mission

- To develop, maintain and enhance quality and international standards of wine judging practices and procedures with Chinese/local characteristics
- To increase the wine appreciation standards and levels for professional & leisure drinkers
- To expand members of wine judges thru training and hands-on experiences in competitions
